Hi? I'm Diana and I've been watching your videos and they're so cool!! You said that you want people to talk to you because you're bored, so yeah. Idk. I love the Book Thief too (I'm not sure if you saw my comment on your post?) but um yeah okay I'll shut up now.

#### Haha you must have better ways of dealin...

Haha you must have better ways of dealing with boredom than me... I just play on my phone or like watch Netflix. Not so big on adventures. (Maybe fictional ones?) Wow I don't even know what my favorite part of TBT was... I loved it all so much!!

 DWELLINGINMARBLEHALLS

#### Those things you said to do if you'...

Those things you said to do if you're bored sound awesome, omg. Do you actually do things like that? I would be waaay too scared. Maybe I do need a tutor, haha! I agree about the "poise and prose." It's so great! You're a lot better at wording things than I am.

 DWELLINGINMARBLEHALLS

#### Aaaaaah I'd love to be friends! Even...

Aaaaaah I'd love to be friends! Even if it is only over the Internet. And you can teach me how to be as cool as you. If you don't get bored of talking to me. :P I'm not really that interesting? But yeah. Thanks for talking to me anyways. - Pleaaaaaaase.
