Precursor to Episode 6:

TM diebarry to dwellinginmarblehalls

Hi? I'm Diana and I've been watching your videos and they're so cool!! You said that you want people to talk to you because you're bored, so yeah, Idk. I love the Book Thief too (I'm not sure if you saw my comment on your post?) but um yeah okay I'll shut up now.

TM diebarry to dwellinginmarblehalls

Haha you must have better ways of dealing with boredom than me... I just play on my phone or like watch Netflix. Not so big on adventures. (Maybe fictional ones?) Wow I don't even know what my favorite part of TBT was... I loved it all so much!!

TM diebarry to dwellinginmarblehalls

Those things you said to do if you're bored sound awesome, omg. Do you actually do things like that? I would be waaay too scared. Maybe I do need a tutor, haha! I agree about the "poise and prose." It's so great! You're a lot better at wording things than I am.

TM diebarry to dwellinginmarblehalls

Aaaaah I'd love to be friends! Even if it is only over the Internet. And you can teach me how to be as cool as you. If you don't get bored of talking to me. :P I'm not really that interesting? But yeah. Thanks for talking to me anyways. - Pleaaaaaaase.

@AnneWith_An_E: I'm thinking of doing a Q&A video, on the off chance that people have questions for me..? Tweet me, send asks, or comment on my channel!

10:10 PM - 9 Feb 2014

TM dwellinginmarblehalls

Kindred Spirits

Thank you so much for all the lovely questions! You've really got me thinking now... =) I'm already working on my Q&A video (between doing English homework and math, blah) so if I haven't answered your question yet I'll make sure to do it in the video!

@AnneWith_An_E: I used to do homework by the kitchen window so I could watch the Snow Queen tossing her branches in the wind. Marilla made me move upstairs.

10:17 PM - 10 Feb 2014

@AnneWith_An_E: "You're getting distracted," she says. I did take three hours to do math today, so I guess Marilla has a point.

10:18 PM - 10 Feb 2014

@josieberrypie: anyone free on valentines day? i don't have a date yet, this is so frustrating. @RubyRedGillis wanna go to sephora with me?

8:31 PM - 11 Feb 2014

@RubyRedGillis: @josieberrypie aw sorry I'm going out to dinner with John!!! Maybe try asking Charlie?

@josieberrypie: @RubyRedGillis haha not in a million years. where is @Call_Me_Gil when you need him????

12:08 AM - 22 Feb 2014

TM dwellinginmarblehalls

Marilla has forgiven me!

Forgiven me for something I didn't do, of course, but it has all been resolved and I couldn't be happier. I've learned a few life lessons from this maturing and horrible experience and to prove it to you all, I've made a list! Things Anne Shirley Needs to Overcome

1. Her Overactive Imagination
2. Telling Embellished Stories (apparently that's lying)
3. Going through with the promises she makes herself

Thank you all for listening to me and for being there for me.

- Anne Shirley

24 Feb 2014

5:15 PM - 5 Mar 2014

8:00 PM - 10 Mar 2014

@AnneWith_An_E: @DianaBarry96 Did you ask your mom yet?

@Call_Me_Gil: I've been thinking a lot recently about city life vs. country life.

4:25 PM - 16 Mar 2014

@Call_Me_Gil: Don't get me wrong, Toronto is great, but sometimes too noisy and busy for a humble kid from the middle of nowhere.

4:26 PM - 16 Mar 2014

@Call_Me_Gil: Pros of Toronto: fast transportation, great food and entertainment, always something exciting happening.

4:27 PM - 16 Mar 2014
